

## Some MA graduates who have made it:

“I definitely wouldn’t be doing what I’m doing now if I hadn’t studied at Falmouth. The practical experience prepares you perfectly to go out and be a journalist. We were treated as journalists from day one; the confidence that gives you when you graduate is invaluable. I went straight into freelance and haven’t looked back.”

**Catherine Nicholson**  
MA Multimedia  
Broadcast  
Journalism  
graduate, now  
presenter and  
reporter for  
France24, Paris

“I wouldn’t have been able to gain highly competitive creative agency placements or awards without the MA Creative Advertising. The course has trained me and my creative partner from a blank page and turned us into an industry-ready junior creative team.”

**Jasper Cho**  
MA Creative  
Advertising  
graduate, winner  
of D&AD Best New  
Blood Award 2012

“I was able to walk straight into an entry level job and say, ‘Here are a number of films I’ve shot and edited’ – and straight away I was out there shooting and cutting taster tapes. Falmouth enables you to hit the ground running.”

**Simon Hawtin**  
MA TV Production  
graduate, now  
producer for the  
BBC’s Natural  
History Unit

**Dark clouds are overhead and the storm is raging. But your courageous, pioneering spirit urges you to forge on. Turning back is not an option.**

**Remember:** with the right preparation, there's no such thing as bad weather.

By investing in postgraduate study at Falmouth, you'll gain the extra layer of resilience you need to not only weather the storm, but conquer it. With outstanding industry connections, top tutors, expert visiting professionals and world-class facilities, you'll gain a vital advantage for your career.

Our opportunity-boosting support stretches across all our courses to help you safeguard your creative future, from lifetime career advice and graduate placements, to advanced IT training and dissertation support services.

What's more, we're offering all Falmouth graduates a discount of £1,000 on any of our postgraduate courses. A little added protection in this harsh climate.

# £1,000
